## ABOUT

Award-winning wildlife filmmaker and conservation photographer based in Kenya. Klein captures Africa's wilderness through cinematic storytelling, specialising in luxury safari lodges and authentic travel experiences across East and Southern Africa. His work brings viewers closer to the continent's natural beauty while delivering premium visual content for hospitality partners.

## CONTENT SPECIALISATION

### Cinematic Film

Professional wildlife filmmaking with cinematic composition and storytelling techniques

### Conservation

Powerful imagery communicating conservation stories and sustainable tourism narratives

### Safari Lodges

Specialised experience creating compelling content for luxury safari properties

## BRAND PARTNERS

Canon • Instagram • National Geographic • Sony
